PVMS Community Council
March 11, 2022

Welcome: Elissa Liddle

Minutes Review:

- Digital Literacy teaches about safety online

- Possibly get a speaker of internet safety

- Look up BMX Bike Group about internet safety, resiliency, suicide

- Charles Clark also came to speak to kids about life (first and last 60 minutes)

Members Present:
Steve Gustaveson
Elissa Liddle
Diaonne Russel
Cyndi Cheney
Teresa Harris

Business Items:

1.   PVMS School Improvement Plan 2022-23
- Focus on ELL and SPED students. This is an area that could experience large amounts of growth.

2.   STL Budget
- Decided on by the community council

3.   TSSA Budget
- Use to fund additional teachers in LA8 and Art

4.   Upcoming school activities
- School Dance (8th and 9th) March 31st from 3-4pm
- Spring Breakfast April 14th for kids and faculty (eggs/waffles) 7ish-8 am
- CC members could volunteer to help with breakfast
- April 27th Awards Night
- Talent Show May 23rd (in person or video)
- May 25th Yearbook Day

5.   RISE/ACT Aspire testing

- Teaching students why testing is important
- Letter will be sent out explaining the process
- Teachers could email those students that they need to come on 9th grade testing day if they need to make up work
- How it influences educational opportunities

6. Any issues or celebrations with Digital Citizenship or School Safety Plans?
- Lock down drill a few weeks ago
- Remind teachers to keep doors locked and use the magnet to keep it open
- Do two evacuations per year
- Reunification program something to practice next faculty training

7. Looking ahead to the 2022-2023 school year, should Community Council applications be sent out at the end of the school year?
- Sent out at back to school night

8. How build community of reaching out?
